### What you need to know before you use this benefit

- While you don't need a physician's referral to see an alternative care provider, you must see a Providence Health Plan participating provider. To find a participating provider in your area, go to [www.ProvidenceHealthPlan.com/providerdirectory](http://www.ProvidenceHealthPlan.com/providerdirectory) or call us.
- Only one copay is required per date of service, regardless of the number of covered services received during the visit. You do not need to meet any applicable medical plan deductibles before receiving this benefit.

### Using non-participating providers

- In rare circumstances, our national network may not have a participating provider in your area. If this occurs, please contact our authorizing agent at 1-800-678-9133. If our authorizing agent is not able to locate a participating provider within a reasonable distance, authorization for use of a non-participating provider will be provided.
- Non-participating providers must be licensed in the state in which they are practicing and must practice within the scope of their license.
- In some cases, you may need to pay the non-participating provider directly for the full cost of the services received and submit your itemized billing to our authorizing agent for reimbursement.
- Claims should be submitted to American Specialty Health Network, 777 Front Street, San Diego, CA 92101.
- Payment to non-participating providers is based upon Usual, Customary, and Reasonable (UCR) charges. Amounts in excess of UCR are your responsibility.
