## Explanation of terms and phrases

**Coinsurance** – The percentage of the cost that you may need to pay for covered services.

**Common Deductible** – The dollar amount that an individual or family pays for covered in-network and out-of-network services before the plan pays any benefits within a calendar year. In-network and out-of-network services accumulate together to meet the calendar year deductible. The following expenses do not apply to the individual or family deductible: services not covered by the plan; fees that exceed Maximum Allowable Cost (MAC) charges as established by the plan; copays and coinsurance for services that do not apply to the deductible.

**In-network** – Refers to services received from an extensive network of highly qualified dentists and providers contracted by the Plan. Generally, your out-of-pocket costs will be less when you receive covered services from in-network providers.

**Limitations and Exclusions** – All covered services are subject to the limitations and exclusions specified for your plan. Refer to your member handbook or contract for a complete list

**Maximum Allowable Charges (MAC)** - A limitation on the billed charges as determined by Providence Health Plan or its authorizing agent by geographic area where the expenses are incurred and may not be less than the negotiated fee for the same service when provided by a Network Dental Provider.

MAC charges do not include sales taxes, handling fees and similar surcharges, and such taxes, fees and surcharges are not covered expenses.

**Maximum Calendar Year Benefit** – Total dollar amount of benefits that you can receive per calendar year

**Out-of-network** – Refers to services you receive from providers not in your plan's network. Your out-of-pocket costs are generally higher when you receive covered services outside of your plan's network. An out-of-network provider does not have contracted rates with Providence Health Plan and so balance billing may apply. To find an in-network provider, go to [www.ProvidenceHealthPlan.com/providerdirectory](http://www.ProvidenceHealthPlan.com/providerdirectory)

**Predetermination of benefits** – A request to us or our authorizing agent by you or by your Dentist regarding a proposed course of treatment. Predetermination review will determine if the proposed service is eligible as a Covered Service or if an individual is a Member at the time of the proposed service.

**Waiting period** – A period of time during which all specified treatments or services are excluded from coverage.
