

## IMPORTANT NOTICE OF CHANGES TO YOUR BENEFITS

Effective January 1, 2021, there will be a change in the provider network for Mental Health and Chemical Dependency services.

The following changes apply to your 2020 benefits and supersede those listed in your 2020 member materials:

- All references to an authorizing agent found in your Benefit Summary and Member Handbook no longer apply, and Providence Health Plan will be providing prior authorizations for Mental Health and Chemical Dependency services.
- For prior authorization of all Mental Health and Chemical Dependency services (except outpatient provider office visits, which do not require prior authorization), call Providence Health Plan customer service, 503-574-7500 or 800-878-4445 (TTY: 711), 8 a.m. – 5 p.m. (Pacific Time) Monday through Friday.
- There is a change to the claims submission address for Mental Health, and Chemical Dependency claims. All Medical, Mental Health, and Chemical Dependency claims should be mailed to:

Providence Health Plan  
Attn: Claims Dept.  
P.O. Box 3125  
Portland, OR 97208-3125

- Providence Health Plan will administer Mental Health and Chemical Dependency benefits for our members and assume responsibility for:
  - Claims payment
  - Explanations of Benefits
  - Customer Service
  - Utilization Management
  - Care Management
  - In-hours and after-hours crisis lines
- Members receiving services from in-network providers prior to 1/1/21 who will be out-of-network as of 1/1/21 for covered benefits, and qualify for Transition of Care, may be allowed a transition time period of up to 12-months, when medically necessary, for continued Mental Health and Chemical Dependency services from those providers.

If you are unsure about a physician/provider's, hospital's or other facility's participation with Providence Health Plan, visit our Provider Directory, available online at [ProvidenceHealthPlan.com/findaprovider](https://www.providencehealthplan.com/findaprovider) before you make an appointment. You can also call Customer Service to get information about a provider's participation with Providence Health Plan and your benefits.

If you have any questions about this notice, please contact Customer Service, 503-574-7500 or 800-878-4445 (TTY: 711), 8 a.m. – 5 p.m. Pacific Time Monday through Friday.

# Your Benefit Summary

## Connect 7000 Bronze

Providence Connect Network	In-Network	Out-of-Network
Individual Calendar Year Deductible (family amount is 2 times individual)	\$7,000	\$14,000
Individual Out-of-Pocket Maximum (family amount is 2 times individual) This amount includes the Deductible.	\$8,150	\$16,300

### Important information about your plan

This summary provides only highlights of your benefits. To view your plan details, register and login at [www.myProvidence.com](http://www.myProvidence.com).

- In-Network and Out-of-Network Deductibles and Out-of-Pocket Maximums accumulate separately.
- Once you have registered, you can select your Medical Home online or by calling Customer Service.
- Some Services and penalties do not apply to the Out-of-Pocket Maximum.
- Prior Authorization is required for some Services.
- View a list of In-Network Providers and pharmacies at <http://phppd.providence.org/>.
- To get the most out of your benefits, use the providers within the Connect network and obtain referrals from your Medical Home.
- If you choose to go outside the Connect network or do not obtain a referral, use providers who have contracted rates with Providence Health Plan. This ensures that you will not be subject to billing for charges that are above contracted rates. When seeing providers who are not contracted with Providence Health Plan, benefits for Out-of-Network services are based on Usual, Customary and Reasonable charges (UCR).
- Qualified Out-of-Area Dependents who meet eligibility requirements have access to providers in our Signature network. To apply to be a Qualified Out-of-Area Dependent go to <http://providencehealthplan.com/outofarea>
- Limitations and exclusions apply. See your contract for details.
- Not Medicare Part D creditable.

## Pharmacies

Your prescription drug benefit requires that you fill your prescriptions at a Participating Pharmacy. There are four types of participating pharmacies:

- Retail: a Participating Pharmacy that allows up to a 30-day supply as outlined in your handbook of short-term and maintenance prescriptions.
- Preferred Retail: a Participating Pharmacy that allows up to a 90-day supply of maintenance prescriptions and access to up to a 30-day supply of short-term prescriptions.
- Specialty: a Participating Pharmacy that allows up to a 30-day supply of specialty and self-administered chemotherapy prescriptions. These prescriptions require special delivery, handling, administration and monitoring by your pharmacist.
- Mail Order: a Participating Pharmacy that allows up to a 90-day supply of maintenance prescriptions and specializes in direct delivery to your home. To order prescriptions by mail, your provider may call in the prescription or you can mail your prescription along with your Member identification number to one of our participating mail-order pharmacies.
- View a list of our participating pharmacies [www.ProvidenceHealthPlan.com/planpharmacies](http://www.ProvidenceHealthPlan.com/planpharmacies).

## Using your prescription drug benefit

- To find if a drug is covered under your plan check online at [www.ProvidenceHealthPlan.com/pharmacy](http://www.ProvidenceHealthPlan.com/pharmacy). Note that your plan's formulary includes ACA Preventive drugs which are medications that are covered at no cost when received from participating pharmacies as required by the Patient Protection and Affordable Care Act.
- FDA-approved women's contraceptives, as listed on your formulary, are covered at no cost for up to a 12-month supply, after a 3-month initial fill, at any Participating Pharmacy.
- You may purchase up to a 90-day supply of maintenance drugs using a participating mail-service or preferred retail pharmacy at 3 times the copay. Not all drugs are considered maintenance prescriptions, including compounded drugs and drugs obtained from specialty pharmacies.
- If you or your provider request or prescribe a brand-name drug when a generic is available, regardless of reason, you will be responsible for the cost difference between the brand-name and generic drug in addition to the non-preferred brand-name or non-preferred specialty drug copayment or coinsurance indicated on the benefit summary. Your total cost, however, will never exceed the actual cost of the drug.
- Approved non-formulary non-specialty drugs will be covered at the highest non-specialty tier. Approved non-formulary specialty drugs will be covered at the highest specialty cost sharing tier.
- Compounded medications are prescriptions that are custom prepared by your pharmacist. They must contain at least one FDA-approved drug to be eligible for coverage under your plan. Compounded medications are covered for up to a 30-day supply at a 50% after the deductible. Claims are subject to clinical review for medical necessity and are not guaranteed for payment.
- Specialty drugs are prescriptions that require special delivery, handling, administration and monitoring by your pharmacist.
- Most specialty and chemotherapy drugs are only available at our designated specialty pharmacies.
- Certain drugs, devices, and supplies obtained from your pharmacy may apply towards your medical benefit.
- Diabetes supplies may be obtained at your participating pharmacy, and are subject to your group's medical supplies and devices' benefit limitations, and Coinsurance. See your Member Handbook for details.

## Prescription Drugs

### Formulary J

---

- Some prescription drugs require Prior Authorization for medical necessity, place of therapy, length of therapy, step therapy, or number of doses. If a drug to treat your covered medical condition is not in the formulary, please contact us.
- Self-administered chemotherapy is covered under the Prescription Drug Benefit unless the Outpatient Chemotherapy coverage results in a lower out-of-pocket expense to you. Please refer to your Handbook for more information.
- Self-injectable medications are only covered when they are being self-administered and labeled by the FDA for self-administration; in some cases, a Prior Authorization may be required for the drug. Documentation of self-administration may also be required. Drugs labeled for self-administration that are being administered by a provider will fall to the Member's medical benefit.
- Be sure you present your current Providence Health Plan Member identification card.

## Explanation of terms and phrases

**ACA Preventive Drugs** - ACA Preventive drugs are medications, including contraceptives, which are listed in our formulary, and are covered at no cost when received from Participating Pharmacies as required by the Patient Protection and Affordable Care Act (ACA). Over the counter preventive drugs received from Participating Pharmacies cannot be covered in full without a written prescription from your Qualified Practitioner.

**Coinsurance** - The percentage of the cost that you may need to pay for Covered Service.

**Copay** - The fixed dollar amount you pay to a healthcare provider for a Covered Service at the time care is provided.

**Deductible** - The dollar amount that an individual or family pays for Covered Service before the plan pays any benefits within a Calendar Year. The following expenses do not apply to the individual or family deductible: Services not covered by the plan; fees that exceed Usual, Customary and Reasonable (UCR) charges as established by the plan; penalties incurred if you do not follow the plan's Prior Authorization requirements; copays and Coinsurance for Services that do not apply to the deductible.

**Formulary** - A formulary is a list of FDA-approved prescription drugs developed by physicians and pharmacists, designed to offer effective drug treatment choices for covered medical conditions. The Providence Health Plan formulary includes both brand-name and generic medications.

**In-Network** - Refers to Services received from an extensive network of highly qualified physicians, health care providers and facilities contracted by Providence Health Plan for your specific plan. Generally, your Out-of-Pocket costs will be less when you receive Covered Service from In-Network Providers.

**Limitations and Exclusions** - All Covered Service are subject to the limitations and exclusions specified for your plan. Refer to your Member handbook or contract for a complete list.

**Maintenance Prescriptions** - Medications that are typically prescribed to treat long-term or chronic conditions, such as diabetes, high blood pressure and high cholesterol. Maintenance drugs are those that you have received under our plan for at least 30 days and that you anticipate continuing to use in the future. Compounded and specialty medications are excluded from this definition; and are limited to a 30 day supply.

**Maximum Allowable Charge (MAC)** - A limitation on the billed charges as determined by Providence Health Plan or its authorizing agent by geographic area where the expenses are incurred and may not be less than the negotiated fee for the same Service when provided by a Network Dental Provider. MAC charges do not include sales taxes, handling fees and similar surcharges, and such taxes, fees and surcharges are not covered expenses.

**Medical Home** - A full Service healthcare clinic which has been designated as a Medical Home providing and coordinating Members' medical care.

**Medical Home Referral** - A referral from your Medical Home to receive Services from an In-Network Provider that is not part of your Medical Home.

**Medicare Part D creditable**

**Medicare Part D creditable** - Coverage is creditable when the plan payout for prescription drugs is, on average for all plan participants, as much as the average payout under the standard Medicare Part D benefit.

**Not Medicare Part D creditable** - Coverage is non-creditable when the plan payout for prescription drugs is, on average for all plan participants, less than what standard Medicare Part D prescription drug coverage would be expected to pay.

**Non-Formulary Medication** - An FDA-approved drug, generic or brand-name, that is not included in the list of approved formulary medications. These prescriptions require a Prior Authorization by the health plan and, if approved, will pay at either the highest non-specialty or specialty cost sharing tier.

**Out-of-Network** - Refers to Services you receive from providers not in your plan's network. Your Out-of-Pocket costs are generally higher when you receive Covered Services outside of your plan's network. An Out-of-Network Provider does not have contracted rates with Providence Health Plan and so balance billing may apply. To find an In-Network Provider, go to <http://phppd.providence.org/>.

**Out-of-Pocket Maximum** - The limit on the dollar amount that an individual or family pays for specified Covered Services in a Calendar Year. Some Services and expenses do not apply to the individual or family Out-of-Pocket Maximum. See your Member handbook or contract for details.

**Primary Care Provider** - A qualified physician or practitioner that can provide most of your care and, when necessary, will coordinate care with other providers in a convenient and cost-effective manner.

**Preferred brand-name drugs/Non-preferred brand-name drugs** - Brand-name drugs are protected by U.S. patent laws and only a single manufacturer has the rights to produce and sell them. Your benefits include drugs listed on our formulary as preferred brand-name or non-preferred brand-name drugs. Generally your out-of-pocket costs will be less for preferred brand-name drugs.

**Preferred generic drugs/Non-preferred generic drugs** - Generic drugs have the same active-ingredient formula as the brand-name drug. Generic drugs are usually available after the brand-name patent expires. Your benefits include drugs listed on our formulary as preferred and non-preferred generic drugs. Generally your out-of-pocket costs will be less for preferred drugs.

**Preferred specialty drugs/Non-preferred specialty drugs** - Specialty drugs are injectable, infused, oral, topical, or inhaled therapies that often require specialized delivery, handling, monitoring and administration and are generally high cost. These drugs must be purchased through our designated specialty pharmacy. Due to the nature of these medications, specialty drugs are limited to a 30-day supply. Your benefits include drugs listed on our formulary as preferred specialty or non-preferred specialty drugs. Generally your out-of-pocket costs will be less for preferred specialty drugs.

**Prescription drug Prior Authorization** - The process used to request an exception to the Providence Health Plan drug formulary. A Prior Authorization can be requested by the prescriber, member or pharmacy. Some drugs require Prior Authorization for Medical Necessity, place of therapy, length of therapy, step therapy or number of doses. Visit us online for additional information at [www.ProvidenceHealthPlan.com](http://www.ProvidenceHealthPlan.com).

**Prior Authorization** - Some Services must be pre-approved. In-Network, your provider will request Prior Authorization. Out-of-Network, you are responsible for obtaining Prior Authorization.

## Explanation of terms and phrases

**Retail Health Clinic** - A walk-in health clinic, other than an office, Urgent Care facility, pharmacy or independent clinic that is located within a retail operation. A Retail Health Clinic provides same-day visits for basic illness and injuries or preventive services.

**Usual, Customary & Reasonable (UCR)** - Describes your plan's allowed charges for Services that you receive from an Out-of-Network Provider. When the cost of Out-of-Network Services exceeds UCR amounts, you are responsible for paying the provider any differences. These amounts do not apply to your Out-of-Pocket Maximums.

**Web-direct Visit** - A consultation with Network Provider using an online questionnaire to collect information to diagnose and treat common conditions such as cold, flu, sore throat, allergies, earaches, sinus pain or UTI. Currently Web-direct Visits are offered only by Providence Medical Group providers.

**Virtual Visit** - Visit with a Network Provider using secure internet technology such as Providence Express Care phone and video visits-(where available).
