Common deductible

The dollar amount that an individual or family pays for covered services before your plan pays any benefits within a calendar year. - Services not covered by your plan
- Fees that exceed usual, customary and reasonable (UCR) charges as established by your plan

In-plan benefit

The in-plan benefit is an extensive network of highly qualified physicians and health care providers, also known as participating providers, available to you by your plan. Generally, your out-of-pocket costs will be less when you receive covered services from participating providers. To find a participating provider, go to www.ProvidenceHealthPlan.com/providerdirectory.

My Choice Benefits

Designated services for which up to 6 visits can be received prior to meeting your deductible. Services may be received in any combination. For Alternative Care, once the benefit dollar limit is reached, no additional alternative care visits are available for coverage.

Any health care professional who does not participate in Providence Health Plan's network of participating physicians and providers of health care services.

Out-of-plan

Refers to services you receive from a non-participating provider. Your out-of-pocket costs are generally higher when you receive covered services from non-participating providers. To find a participating provider, go to www.ProvidenceHealthPlan.com/providerdirectory.

Participating provider

A physician or provider of health care services who belongs to the Providence Health Plan participating provider network. To find a participating provider, refer to the directory available at www.ProvidenceHealthPlan.com/providerdirectory.

Some services must be pre-approved. In-Plan, your provider will request prior authorization. Out-of-Plan, you are responsible for obtaining prior authorization.

Self-administered chemotherapy

Oral, topical or self-injectable medications that are used to stop or slow the growth of cancerous cells.

Usual, Customary & Reasonable (UCR)

Describes your plan's allowed charges for services that you receive from an out-of-plan provider. When the cost of out-of-plan services exceeds UCR amounts, you are responsible for paying the provider any difference. These amounts do not apply to your out-of-pocket maximums.
