## Your guide to the words or phrases used to explain your benefits

### Coinsurance

The percentage of the cost that you may need to pay for a covered service.

### Copay

The fixed dollar amount you pay to a health care provider for a covered service at the time care is provided.

### Deductible

The dollar amount that an individual or family pays for covered services before your plan pays any benefits within a calendar year. The following expenses do not apply to an individual or family deductible:

- Services not covered by your plan
- Fees that exceed usual, customary and reasonable (UCR) charges as established by your plan
- Penalties incurred if you do not follow your plan's prior authorization requirements
- Copays or coinsurance for any supplemental benefits provided by your employer, such as prescription drugs, or routine vision care

### Deductible carryover

A feature of your plan that allows for any portion of your deductible that is paid during the fourth quarter of a calendar year to be applied toward the next year's deductible.

### Formulary

A list of preferred brand-name and generic drugs that have been evaluated by us for effectiveness and safety.

### Non-participating provider

Any health care professional who does not participate in Providence Health Plan's network of participating physicians and providers of health care services.

### Out-of-pocket maximum

The limit on the dollar amount you will have to spend for specified covered health services in a calendar year. Some services and expenses do not apply to the out-of-pocket maximum. See your Member Handbook for details.

### Participating provider

A physician or provider of health care services who belongs to the Providence Health Plan participating provider network. To find a participating provider, refer to the directory available at [www.ProvidenceHealthPlan.com/providerdirectory](http://www.ProvidenceHealthPlan.com/providerdirectory).

### Pre-existing condition exclusion

A pre-existing condition is any medical condition for which medical advice, diagnosis, care or treatment was recommended or received within six months prior to your enrollment date. Coverage for pre-existing conditions is excluded for a period of six months following your enrollment date. This exclusion period can be reduced by qualifying Creditable Coverage. The pre-existing condition exclusion does not apply to members who are under the age of 19. See your Member Handbook for details.

### Self-administered chemotherapy

Oral, topical or self-injectable medications that are used to stop or slow the growth of cancerous cells.
