## Your guide to the words or phrases used to explain your benefits

### Coinsurance

The percentage of the cost that you may need to pay for a covered service.

### Copay

The fixed dollar amount you pay to a health care provider for a covered service at the time care is provided.

### Deductible

The dollar amount that an individual or family pays for covered services before your plan pays any benefits within a calendar year. The following expenses do not apply to an individual or family deductible:

- Services not covered by your plan.
- Fees that exceed usual, customary and reasonable (UCR) charges as established by your plan.
- Penalties incurred if you do not follow your plan's prior authorization requirements.
- Copays and coinsurance for services that do not apply to the deductible.

### Formulary

A formulary is a list of FDA-approved prescription drugs developed by physicians and pharmacists, designed to offer drug treatment choices for covered medical conditions. The Providence Health Plan formulary includes both brand-name and generic medications.

### In-Network

Refers to services received from an extensive network of highly qualified physicians, health care providers and facilities contracted by Providence Health Plan for your specific plan. Generally, your out-of-pocket costs will be less when you receive covered services from in-network providers.

### Limitations and Exclusions

All covered services are subject to the limitations and exclusions specified for your plan. Refer to your member handbook or contract for a complete list.

### Out-of-Pocket Maximum

The limit on the dollar amount you will have to spend for specified covered health services in a calendar year. Some services and expenses do not apply to the out-of-pocket maximum. See your Member Handbook for details.

### Personal physician/provider

A qualified physician or practitioner that can provide most of your care and, when necessary, will coordinate care with other providers in a convenient and cost-effective manner.

### Prior authorization

Some services must be pre-approved, your in-network provider will request prior authorization for these services.

### Usual, Customary & Reasonable (UCR)

Describes your plan's allowed charges for services that you receive from an out-of-network provider. When the cost of out-of-network services exceeds UCR amounts, you are responsible for paying the provider any difference. These amounts do not apply to your out-of-pocket maximums.
